

**EVEN  
MORE  
CERTAINTY  
IN AN UNCERTAIN  
WORLD.**

Cyber vandalism and sabotage. Turbine failures. Complex fires and explosions. Construction defects.

No matter the disaster or where it may strike, Envista Forensics—formerly PT&C|LWG—is stronger than ever to find the answers you need. For our full range of services visit [envistaforensics.com](http://envistaforensics.com).

**EVEN  
MORE  
CERTAINTY  
IN AN UNCERTAIN  
WORLD.**

To resolve complex construction defect claims, you have to know how to work with general contractors, municipalities, understand permitting and more. The structural and mechanical engineers, building consultants and expert witnesses at Envista Forensics—formerly PT&C|LWG—excel at getting the right information from the right people. Build a relationship at [envistaforensics.com](http://envistaforensics.com).
